While we welcome children ages 4 and up at the time of travel to discover the stories of the world with us, we recommend that children be at least 8 years old at the time of travel on our Costa Rica trip. Menu items are subject to change due to the availability and seasonality of foods. In order to allow you and your family time to enjoy meals by yourselves, there are a few meals that are not included in the itinerary. These meals have been planned in locations where you have many dining options available. If you have any questions or concerns about dining at any time during your vacation, your Adventure Guides will be happy to assist you.

Is alcohol included with meals?

Alcoholic beverages are typically not included with your scheduled meals; however, you may purchase them at your own expense.
