Due to restrictions with the Galápagos and Amazon Islands portion of this adventure, children must be at least 7 years old at the time of travel on our Ecuador: Amazon and Galápagos trip. The minimum recommended age is 7 years old. This is based on several factors, such as flight time and jet lag, time zone differences in the destination, duration of the vacation, high altitude at the destination, extended hours of daily activity programming, number of internal transports between experiences, potential for extreme temperatures, and amount of physical activity (e.g., snorkeling, walking on uneven surfaces, up and down stairs, and cobblestone sidewalks). Because each child is different, call a *Vacationista* at (800) 543-0865† to discuss whether this is the right trip for your kids.

Given the nature of group travel, we regret that *à la carte* menu choices are not available. Children-friendly choices are available at all meals. Menu items are subject to change due to the availability and seasonality of foods. If you have any questions or concerns about dining at any time during your vacation, your Adventure Guides will be happy to assist you.

Is alcohol included with meals?

Alcoholic beverages are typically not included with your scheduled meals. However, you may purchase them at your own expense.

Can you accommodate special dietary needs?

Adventures by Disney will make a reasonable effort to accommodate some special dietary needs at no additional charge. Unfortunately, we may not be able to accommodate all special dietary needs requested. Please contact a *Vacationista* at (800) 543-0865† in advance of your departure to advise us of your needs.

What if *Adventures by Disney* cancels the adventure prior to departure?

We will make every reasonable effort to operate the vacations as advertised; however, we reserve the right to curtail or modify the itinerary, or to substitute activities, hotels, meals or transportation as we deem necessary. We further reserve the right to reduce the number of Adventure Guides to one, and to modify other services to accommodate a smaller group, if a minimum number of Guests is not reached. Similarly, we may marginally exceed the stated group maximum size if necessary to accommodate a family. Please also note that during certain holidays and peak periods, some activities may be disrupted or unavailable. None of these modifications or changes shall affect the land package price. We reserve the right to cancel a trip at any time prior to its commencement for any reason, such as if there are too few Guests, or if the quality of the trip or the safety of the Guests would, in our opinion, be compromised, such as may result from unforeseen circumstances (acts of God) or other circumstances beyond our reasonable control. If we cancel your trip prior to its commencement because there are too few Guests: (i) we will attempt to re-book you on another departure of the same itinerary, subject to availability, and we will bear any reasonable airline re-booking charges; however, if we are unable to rebook you, we will issue a full refund of your land package price and Plan (unless you have filed a claim); and (ii) if you booked airfare through us, we will issue a full refund of your airfare; and (iii) if you did not book airfare through us, we will reimburse you for your reasonable out-of-pocket (subject to proof) airline cancellation charges or, in the case of bookings using frequent flier miles, a reasonable cancellation service fee, provided you have exercised best efforts to mitigate such charges/fees; and (iv) the aforesaid payments and/or rebooking by us shall constitute a full settlement.
