SWITZERLAND

When traveling in Switzerland, it's best to avoid Swiss roads and opt for the wonderfully punctual and ultra-efficient rail system. You can buy tickets at any of the numerous kiosks, most of which accept cash or credit and give information in many different languages. Helpful ticket sales people will give you a copy of your itinerary, which includes information like transfer stations, time of transfer and which car to enter. To get to more remote places not on the rail-line, take a "postbus," which is integrated into the rail system.

Language

While the primary language of Italy is Italian and the primary language of central Switzerland is German, most people from both countries speak some English. Your Adventure Guide can help you with any language barriers.

Most of the trip occurs at 5,000 feet. However, the altitude rises as high as 7,500 feet for a short coach ride on the Simplon Pass.

While we welcome children ages 4 and up on our Italy & Switzerland trip, we recommend that children be at least 6 years old at the time of travel.

This is based on several factors, such as flight time and jet lag, time zone differences in the destination, duration of the vacation, extended hours of daily activity programming, number of internal transports between experiences, potential for extreme temperatures in the summer months, and amount of physical activity (e.g., walking, biking, and zip lining). Because each child is different, call a *Vacationista* at (800) 543-0865† to discuss whether this is the right trip for your kids.

Given the nature of group travel, we regret that *à la carte* menu choices may not always be available. Children-friendly choices are available at all meals. Menu items are subject to change due to the availability and seasonality of foods. In order to allow you and your family time to enjoy meals by yourselves, there are a few meals that are not included in the itinerary. These meals have been planned in locations where you have many dining options available. If you have any questions or concerns about dining at any time during your vacation, your Adventure Guides will be happy to assist you.

Is alcohol included with meals?

Alcoholic beverages are typically not included with your scheduled meals. However, you may purchase them at your own expense.
