Please also note that during certain holidays and peak periods, some activities may be disrupted or unavailable. None of these modifications or changes shall affect the land package price. We reserve the right to cancel a trip at any time prior to its commencement for any reason, such as if there are too few Guests, or if the quality of the trip or the safety of the Guests would, in our opinion, be compromised, such as may result from unforeseen circumstances (acts of God) or other circumstances beyond our reasonable control. If we cancel your trip prior to its commencement because there are too few Guests: (i) we will attempt to re-book you on another departure of the same itinerary, subject to availability, and we will bear any reasonable airline re-booking charges; however, if we are unable to rebook you, we will issue a full refund of your land package price and Plan (unless you have filed a claim); and (ii) if you booked airfare through us, we will issue a full refund of your airfare; and (iii) if you did not book airfare through us, we will reimburse you for your reasonable out-of-pocket (subject to proof) airline cancellation charges or, in the case of bookings using frequent flier miles, a reasonable cancellation service fee, provided you have exercised best efforts to mitigate such charges/fees; and (iv) the aforesaid payments and/or rebooking by us shall constitute a full settlement.
