How strenuous are the activities?

Though the majority of the trip's featured activities are not too strenuous, if you participate on an individual basis, engaging in the full range of scheduled events does require a moderate level of stamina in order to appreciate everything your vacation offers. Some activities require a fair amount of walking, often exceeding 2 miles.

What ages are appropriate for this adventure?

While we welcome children ages 4 and up for our Budapest Short Escape vacation, we recommend that children be at least 6 years old at the time of travel. This is based on several factors, such as flight time, jet lag, time zone differences between destinations, vacation duration, extended hours of daily activity programming and the amount of physical activity (e.g., walking) involved. Because each child is different, call a *Vacationista* at (800) 543-0865† to discuss whether this is the right trip for your little ones.
